All measurements are in centimetres (cm), with a tolerance of +/- 1.5cm

Please note that these measurements refer to the size of the garment, not the person wearing it.

To determine your measurements, we recommend measuring a similar garment that you already own and that fits you well by laying it on a flat surface and comparing the respective measurements. For reference, half chest measurements refer to armpit-to-armpit, across the front of the garment laid out onto a flat surface.
